

# Kid Zone Preschool October Newsletter

## What we are Learning

Can't believe that we have been in school 2 months! It has been great to see children grow in these last months as we focused on learning school expectations, routines and about each other. In August, we learned about each other, our families and emotions. In September, we learned about using our manners, the human body, pets, camping and ended the month learning about and tasting apples.

In October, we will be learning about fall, fire safety, pizza and ending the month with learning about bats, spiders and candy corn. We will be focusing on letters F, P, and S. Each week on Fridays we will have show and share that goes with the letter of the week. The item brought for show and tell should start with the letter of the week and be small enough to fit in the bag sent home. Please remember to keep an extra set of clothes in your child's cubby at all times in case of an accident. If you have any concerns please reach out to Mrs. Christina or your child's teacher.

## Our Focus For The Month:

**Shape:** Square **Color:** Orange **Letters:** F, P, S  
**Numbers:** 9, 10, 11, 12
